EU Directive: EMC Directive 2004/108/EC

Test Report: CEC2014-0022

Comments:

According to the above stated test report(s) the specified product complies with the applicable requirements of the mentioned standard(s). The applicant may use the test report and this certificate in connection with the declaration of conformity according to the EU Directive and Annex indicated above.

This Certificate of Conformity has been granted to the applicant based on the results of testing performed by the applicant/manufacture or an approved laboratory and the consequent review of the test report by TÜV AUSTRIA CERT GMBH. Therefore, it does not imply any assessment of the instruction manual, product or the production process of this product by TÜV AUSTRIA. Revisions to the referenced certification basis or any change of the design, materials, components or processing may require the repetition of all or some of the qualification tests in order for the test report and therefore this associated certificate to remain valid.

2014-02-17
Date of Issue

A. Dvorak, Certification representative

Additional regulations and directives may apply. The CE Mark may only be affixed to this product after fulfillment of all EU directives applicable to this product and the preparation of the necessary technical documentation as well as the conformity declaration by the manufacturer.

The validity of this certificate (Max. 5 years from the date of issue) can be checked on the TÜV AUSTRIA Homepage.

Any alteration or duplication of this document in parts is subject to approval by TÜV AUSTRIA CERT GMBH.

The holder of this document is advised that it does not reflect a Notified Body's opinion but that the information contained hereon reflects the certification body's findings on the date of issue and within the limits of the applicant's instructions, if any.
